

KHALSA PRIMARY SCHOOL PANJABI OVERVIEW

KHALSA PRIMARY SCHOOL: PANJABI OVERVIEW INTENT

At Khalsa Primary we are building a whole new culture of deep understanding, confidence and competence in Panjabi– a culture that produces strong, secure learning and real progress. We are shaping confident, happy and resilient Panjabi speakers who relish the Panjabi language. We are committed to working together to make a difference to every pupil so that they can use their learning to make a positive contribution to the world around them.

Focus on deepening pupils understanding:

At Khalsa Primary we follow the Panjabi curriculum which is based around the MFL work scheme. Following this scheme allows all pupils to flourish their three areas in Panjabi which are Reading, Writing, Speaking and Listening. Pupils build their confidence and they can represent themselves as good Panjabi speakers in religious school assemblies.

Enrichment Opportunities in Panjabi

We offer our pupils a Punjabi Drama Club where they focus on developing their speaking and listening skills and have an opportunity to put together a grand performance for their parents at the end of the Term.
